Compressors:		Freezers and freezing:		R	
Versatile applications of the screw compressor ... April 69		"Biggest yet" on-farm freezing project ... Oct 66		Refrigerated transport:	
Computers:		Economic appraisal of different freezing methods Nov 45		Choice of vehicle refrigeration method for the transport of frozen foods ... Jan 74	
Air conditioning computer service ... April 83		First GYROFREEZE, The FAO fish freezing and irradiation conference ... Oct 54		Cryoguard and Duramin "link" on new Freightliner service ... July 46	
Calculating a/c loads by computer (1) ... May 86		Liquid nitrogen for freezing strawberries ... Oct 84		Insulation of refrigerated containers and road vehicles, The ... July 50	
(2) ... June 83		Frozen food cabinets:		Mechanical transport refrigeration in the U.K. ... Jan 71	
Compound compression refrigeration cycles ... June 89		Influence of radiant heat on product temperatures in frozen food cabinets ... June 45		On-van storage (of milk) with Bonallack ... Oct 80	
Control:		Fruit storage is for experts Nov 55		Refrigerated transport by rail — developments by Interfrigo ... Jan 70	
Fingertip control of building plant and services ... March 84				Transport scene, The — a review of the refrigerated and insulated transport field ... Jan 51	
Electric controls in domestic and commercial cabinets ... June 51		H		Transportation of food-stuffs in refrigerated containers ... June 63	
Cooling water treatment ... April 74		Heat exchangers—1 ... July 73		Transportation of perishables in the U.S.A. ... Jan 78	
Cryogenics:		2 ... Aug 59		Feb 55	
The future of cryogenics in industry ... July 78		Heat pumps, Educational — Pt. I ... Dec 42		Refrigeration apprentice, The (monthly feature) ...	
D		I		Refrigeration in the motor industry — cold test chambers at Ford's ... Dec 61	
Dairying:		Influence of radiant heat on product temperatures in frozen food cabinets ... June 45		Retail and catering review (monthly feature) ...	
Bulk milk system from Australia ... October 80		Insulation:		Retail and catering refrigeration — a decade from now ... April 81	
On-van storage with Bonallack ... Oct 80		An engineer's guide to cold store practice (1) Insulation ... Dec 35		S	
Defrosting systems ... May 90		Application of urethane foam <i>in situ</i> ... April 72		Searle — a blueprint for success ... Aug 57	
Dehumidification ... Feb 43		Insulation and <i>k</i> factor ... June 38		Service forum (monthly feature until September) ...	
Domestic refrigeration:		Insulation of refrigerated containers and road vehicles, The ... July 50		Styrofoam — an extruded polystyrene foam for low temperature insulation ... Dec 51	
Domestic refrigerator, The Marbon experiment with all-plastic refrigerator ... Nov 80		Styrofoam — an extruded polystyrene foam for low temperature insulation ... Dec 51		T	
Servicing a domestic refrigerator ... March 51		XIIth International Congress of Refrigeration, Madrid Oct 38		Temperature — new factory boosts their export plans Nov 29	
Unit construction of domestic refrigerators ... Aug 48				Thermal conductivity — A simple transient flow method of measuring thermal conductivity and diffusivity ... April 68	
Drake's bang the drum ... Dec 49				Tubes and pipes:	
Dry Ice — are the critics wrong? ... Oct 76				A service man's guide to tube bending machines Dec 67	
E		L		W	
Economical appraisal of different freezing methods ... Nov 45		(Lec) Boom time in Bognor Regis — and the concrete mixers roll on ... May 44		Water treatment:	
Education and training:		M		Cooling water treatment April 74	
All this training ... Oct 64		Milk:			
Does the air conditioning engineer need training? Dec 47		See Dairying			
Educational heat pumps — Pt. I ... Dec 42		Modern aids to Q and R at Danfoss ... Oct 41			
Refrigeration apprentice, The (monthly feature)		N			
Service forum (monthly feature until September)		Noise:			
Electrical:		Controlling noise in refrigeration plant ... March 55			
Electrical knowledge in refrigeration work ... Sept 52		Noise — an increasing problem ... June 74			
Investigating overheating of electric motors ... Sept 65		P			
F		Plant performance and pipe freezing (corrigendum) ... July 64			
Fan Practice in cold store: April 50		Pumps:			
May 98		Concerning the use of refrigerating fluid pumps July 79			
Figurework in the field (occasional feature, from April) ...
